

# Boardmaker 7 Subscription

Take on the world with the most powerful special education software for learning and communication available on Windows, Mac, and Chromebook. Over 45,000 Picture Communication Symbols® (PCS), hundreds of print and interactive activities, and so much more!

## Boardmaker 7 subscription includes:

### Boardmaker 7 Editor App

- Intuitive, modern, user-tested interface with built-in PDF printing plus local and cloud storage
- Import, edit, print and play files from older versions of Boardmaker software
- Increase efficiency with features like edit in place, creative templates, and built-in web search
- Stay up-to-date with automatic software updates and new PCS every 2 weeks

### Boardmaker 7 Student Center App

- Personalized, fully accessible instruction anywhere, anytime (even offline!)
- Access free content, and any activities assigned to students
- Student's custom accessibility settings are instantly in effect the moment they log in

### Curriculum

- Access to 40 units of completely customizable Activities-to-Go: editable, printable, leveled curriculum for students in K-12
- Additional curriculum programs with over 140 step-by-step lesson plans, thousands of activities and more than 300 printable and accessible books

### myBoardmaker

- Manage your subscription, assign activities to students and monitor their progress online
- Gain access to additional content including curriculum programs and the Boardmaker Community
