

## Keep the Conversations Going

As you continue to navigate the uncertainty of these times, Tobii Dynavox will continue to be here for you.

We have shared many great resources to enhance communication about the Coronavirus with you. To access all of these resources in one place, please [click here](#).

After exploring these resources, you may be wondering what else you can do?

We encourage you to check out our support page and join the live events that are available. If these live events don't fit your schedule you can take a course at a time that works for you on our Learning Hub.
