If you prefer, you may fax this information to 412-381-5241 or email to trials@tobiidynavox.com

The rental period begins the day after the unit is delivered to the shipping address indicated on the rental contract. The assistance of a Solution Consultant is not a condition of the rental period start date. Actual use of the rental equipment is not a condition of the rental period start date. An adult over 18 years old must be available to sign for the delivery. If no one is available to sign for the delivery, it will be returned to Tobii Dynavox after three delivery attempts. The rental period is completed when the rental device is received by Tobii Dynavox. The return shipping date will be supplied with the rental equipment and will fall one day after the specified rental period.

The individual assuming responsibility of the rental must be over the age of 18 years. Contact information for the individual assuming responsibility of the rental must be indicated on the rental agreement. Upon completion of the rental period, the individual responsible for the rental agrees to return the rental device and any accessories in the original packaging back to Tobii Dynavox using the supplied return label. If this shipping label is lost or misplaced, please contact the Trial Department for a replacement label. Tobii Dynavox will not reimburse any fees paid by the customer for the return shipping.

All ancillary equipment, instruction and training materials provided as part of the total rental package must be returned with the rental device. Failure to do so will result in an additional charge of the item at its list price to the person assuming responsibility for this rental and its terms and conditions. If the unit is returned to Tobii Dynavox after the due date, the individual assuming responsibility for the rental will be charged accordingly.

The individual assuming responsibility for the contract is liable for any repair or replacement costs incurred as a result of abuse, neglect, loss or theft of the unit during the rental period. The individual assuming responsibility for the contract is liable for any late fee. Late fees of \$250.00 per week will be charged for all equipment that arrives at the Tobii Dynavox office after the specified return date. A minimum charge of \$250.00 is applicable to all late returns. _____ *PLEASE INITIAL HERE*****

Tobii Dynavox hereby warrants to the customer only that each item of equipment, when shipped, will be in good operating condition. The customer's damages for any breach by Tobii Dynavox of such warranty with respect to an item of equipment shall be limited to the direct damages caused by a defective operating condition which could not reasonably have been discovered by customer after the delivery of such item. The foregoing warranty and damages for breach thereof are the exclusive warranty and damages and are in lieu of any oral representation and all other warranties and damages, whether expressed, implied, or statutory.

Tobii Dynavox shall, at its expense, provide routine maintenance for all equipment and shall endeavor to repair or replace any item of equipment which is found to be defective during the rental period. In the event an item of equipment does not operate properly, the customer shall notify Tobii Dynavox immediately upon noticing the malfunction and request instructions before taking any remedial action or before returning it to us. Tobii Dynavox reserves the right to terminate any loan and request the immediate return of borrowed equipment.

Q: What is the length of time I may rent a Tobii Dynavox product?

A: The Tobii Dynavox rental program allows customers to trial most products for a period of up to four (4) weeks.

Q: Can I rent any carry cases and other accessories

A: Cases are not available for any other trial devices. Durable boots will be provided for touch screen devices

Q: What is a keyguard and do I need one? How many can I have?

A: The keyguard is a clear plastic overlay that is designed to align with different page sets and help guide the touch selection for users that have trouble with touch accuracy. The keyguard is not necessary to operate the rented equipment and is only listed with applicable equipment. If a keyguard is needed, please select the keyguard that will match the number of buttons, or “locations”, on the page set you will be working in. We can send up to three (3) keyguards per order if needed.

Q: What if I rent then end up purchasing? What happens to the money I paid for the rental?

A: If the same individual, organization or funding source that covers the cost of renting a device subsequently purchases a device within the next six (6) months for the same end user, the cost of the rental (Four week maximum) excluding any insurance and shipping costs is credited towards the purchase of your Tobii Dynavox device. Please note that the rental cost must be paid in full before a credit can be issued.

Q: Can I purchase insurance against accidental damage during the rental period?

A: Tobii Dynavox rental customers can purchase an all-inclusive Rental Insurance for their rental equipment. This guarantee becomes effective on the date the product ships from Tobii Dynavox to the rental customer and expires upon the return to our Pittsburgh, PA headquarters. Insurance is available for \$100.00 and provides coverage for any damage that may occur to the trial device during the rental period. Insurance does not cover theft or loss. Disassembly of the product will void this guarantee.

Funding sources, such as Medicaid, Medicare, and personal insurance will not cover the Rental Insurance fee. Please provide an additional payment (check, credit card, etc) for the Rental Insurance if you are working with a funding source.

Q: Who is responsible for repairs caused by damage if I do not purchase insurance?

A: The rental agreement is a binding agreement that holds the signer responsible for any damage to the rented product unless rental insurance is purchased prior to receipt of the rental. By signing this agreement, you are assuming liability for the equipment during the rental period. The signer is also responsible for replacement costs related to theft or loss of the rented product and accessories, and any late fees if the rented device is returned later than the specified due back date regardless of whether rental insurance was purchased.

Q: When will my rental be delivered?

A: We will send out a scheduling email approximately one week prior to shipping the rental equipment and keep you updated though out the process. Please make sure to include an email address for correspondence.

Q: Can I Save the pages I created on the rental device to load onto my purchased device?

A: Yes. In order to transfer any saved pages from the rental device to the device you purchase we recommend backing up any custom programming to mytobiidynavox.com or an external source like a removeable USB drive before returning the rental equipment. This will allow you to load the custom programming onto the purchased equipment when you receive it using the ‘Restore’ feature.

Q: How do I return the rental equipment?

A: Tobii Dynavox supplies a UPS return shipping label with every trial shipment. To return the equipment at no cost, all that you need to do is securely pack the equipment in the original box, apply the return label over the existing label, and drop it off at the nearest UPS pick up location. To find the nearest UPS shipping location, please visit www.ups.com/dropoff

Please be aware that if you ask UPS to pick up the equipment from your location they may charge you an additional fee that is not covered by Tobii Dynavox.

If this shipping label originally provided with the rental is lost or misplaced, please contact the Trial Department for a replacement label.

Tobii Dynavox will not reimburse any fees paid by the customer for the return shipping
