

Read Me First – Connecticut Medicaid

Prescription Requirements

- Medicaid requires that the client have a face-to-face examination with their physician no more than 6 months prior to the written order for the speech generating device (SGD).
- The physician must document that the client was evaluated and/or treated for a condition that supports the SGD. This documentation (chart notes or office visit notes) must be provided along with the written order for the SGD.

Evaluation Requirements

- A 30-day trial is required to be documented in the AAC evaluation.
