

# The Big Day

Core First® Learning

We can't wait to get back to school.

Mom said we could get some new things.

First, we get pencils.

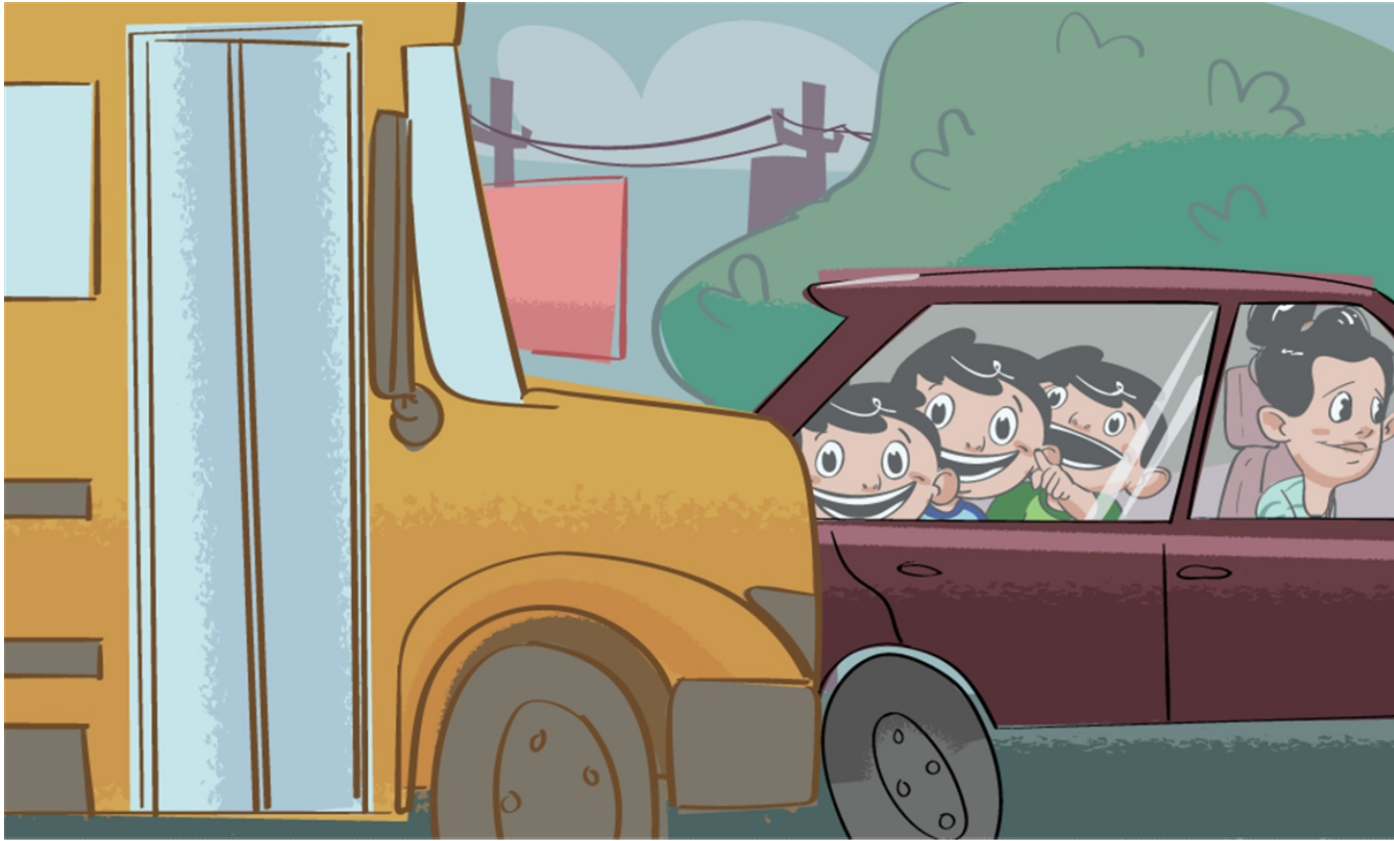

Then we get paper.

We each get to pick a new lunchbox.

Do you know that we will get a new teacher this year?

We are getting excited to ride  
the bus again!

We can't forget to pack our backpacks!

Tomorrow is the big day!

We can't wait to get back to school.
