

My New Blue Friend

Core First® Learning

Look at that bird! Who is she?

I think she is saying, "Hi," to me!

She is so pretty and so blue.

What is she doing at the zoo?

Look at how she flies around!

First, she is up and then she is down.

Now, where did my new friend
go?

She is hiding down below.

What fun it is to pretend that this
bird is my new blue friend.
