

Clean Up

Look at this bedroom! It's
been a busy day.

**Let's start cleaning up now.
It's not time to play.**

Put your blocks over here and
put your cars over there.

These books get put on this shelf, right behind that chair.

**Pick up all these pieces and
put them in this box.**

Put your teddy bear next to
Goldilocks.

What about these guys?
Where do they go?

Let's put them on the
windowsill, all in a row.

**We are all done now. It's time
for bed.**

Climb under the covers and
let me kiss your head.
