

## **PCEye Mini & PCEye Plus Global EOS Notification**

Tobii Dynavox PCEye Mini & PCEye Plus – Global End of Sale Notification – September 29<sup>th</sup>, 2020.

Tobii Dynavox is today announcing the global End of Sale of the PCEye Mini and PCEye Plus eye tracking devices. As of November 29<sup>th</sup>, 2020, the PCEye Mini and PCEye Plus will no longer be available for sale and will be replaced by our next generation PCEye.

As always, Tobii Dynavox will continue to provide technical support and repair services for PCEye Mini and PCEye Plus customers and will also continue to honor any standard or current warranties or support agreements. Technical support and repair services will be available until November 29<sup>th</sup>, 2025, or 5 years after the device was originally purchased, whichever comes first.

As a courtesy to the valued customers of the PCEye Mini and PCEye Plus, Tobii Dynavox will do our best to fulfill current orders in process.

Follow-up on available products depend on the needs of the individual user, but in general the available options to consider are as follows:

- PCEye Mini to PCEye 5: If you were already considering the PCEye Mini as your communication or computer access solution, you should consider the PCEye 5 as an alternative as it accommodates screens up to 27 inches.
- PCEye Plus to PCEye 5: If you were already considering the PCEye Plus as your communication or computer access solution, you should consider the PCEye 5 as an alternative as it accommodates screens up to 27 inches.

For additional information regarding the global End of Sale of the PCEye Mini or PCEye Plus, please contact Tobii Dynavox Customer Support at <http://www.tobiidynavox.com/about/contact>.
