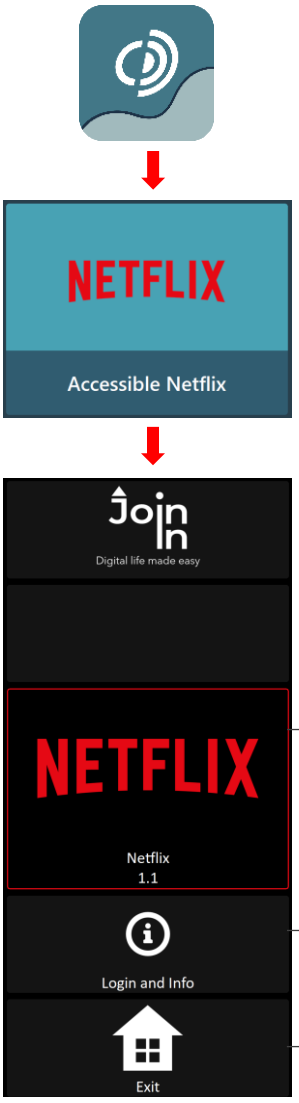
Communicator 5 Accessible Apps - Accessible Netflix: Quick Guide

This document provides instructions on how to use Accessible Netflix within the Communicator 5 Accessible Apps collection to stream video content and enjoy all the Netflix capabilities.

Requirements: To use Accessible Netflix, a Netflix account is required. Make sure to have Netflix login credentials available. An unlocked device with access to the Internet is also required.

Note: Refer to the **Getting Started with Communicator 5 Accessible Apps Quick Guide** for instructions on how to set up Communicator 5 Home Page with the accessible apps collection.

Launch Accessible Netflix



Launch Communicator 5

On Communicator 5 Home Page, select Accessible Netflix to launch it

Accessible Netflix home control toolbar appears on the left

Open Netflix Home Page

- If logged in previously, Home Page opens under the default profile
- If using Accessible Netflix for the first time or previously logged out, use the **Login and Info** button below to log in

Log into Netflix for first-time user or previously logged out account
*Refer to the **Accessible Netflix Login** section below for details*

Return to the Communicator 5 Home Page
