

## Companion License Communicator 5

Together with your I-Series(+) device with Communicator 5, you can install Communicator 5 on up to three additional devices i.e the parents or teachers devices. In order to run the software on the additional devices, you will need to obtain the Companion License for Communicator 5 and use the Companion License in Communicator on those devices. To obtain the Communicator 5 Companion license, follow these instructions.

1. Make sure the I-Series(+) device is up and running.
2. Make sure the I-Series(+) device is connected to the Internet.
3. Go to the **Quick Menu**. For more information, see **Getting Started with Tobii Dynavox Communicator 5**.
4. Select the **Caregiver Settings** button.
5. Select the **System** Tab.
6. Select the **License Manager** button.
7. Select the **Companion License...** button.
8. On the **myTobiiDynavox webpage**, **login** with your **Username/Emailaddress** and **Password** and select the **Sign In** button.  
or  
Create an account by selecting the **Register** button
9. You will automatically be re-directed to the correct web page.
10. Your I-Series Product Key will automatically be entered into the system.
11. Select the **Attach Device** button to submit your device to the system.
12. You will re-directed to your **Account Status** page.
13. Under **Tobii Dynavox I-Series(+)** featuring **Communicator** section, you will find your **Companion License Key**.
