

## **Read Me First – West Virginia Medicaid**

### **WV Certificate of Medical Necessity WVM1**

- This required form must be completed by the Physician and include the physician's Medicaid provider number.
- Medicaid requires that the client have a face-to-face examination with their physician no more than 6 months prior to the written order for the speech generating device (SGD).
- The physician must document that the client was evaluated and/or treated for a condition that supports the SGD. This documentation (chart notes or office visit notes) must be provided along with the written order for the SGD.

### **Medical Supplies Authorization Request Form**

- This required form must list the SGD and all accessories. It must be signed by the Physician.

### **Hearing Screening**

- The client must have a hearing screening completed.
