Rest easy with Tobii Dynavox Support360

Tobii Dynavox device purchases* in the U.S. are eligible for a Support360 Service Warranty. This warranty provides telephone support and coverage, free-of-charge, for repair or replacement of parts, labor, and return shipping on:

- All hardware repairs to the SC Tablet, Speech Case, and iPad

Manufacturer's Warranty

The SC Tablet and Speech Case come with a 2-year manufacturer's warranty against defects. iPads purchased from Tobii Dynavox are separately covered by the Apple Limited Warranty. This warranty covers your iPad against manufacturing defects for one year from the date you bought your product. Both the Tobii Dynavox Warranty and the Apple Limited Warranty are in addition to rights provided by consumer law. These warranties do not cover damage caused by accidents or unauthorized modifications. See the warranty for complete details.

Tobii Dynavox accessories such as carrying cases, switches, keyguards, and switch mounts come with a 90-day warranty. Device mounts come with a one-year warranty, and these accessories and mount products are not covered under the Support360 warranty. You cannot purchase an additional warranty for accessories or device mounts. Medicaid policies vary.

Extend the protection

Support360 extended service warranties help to ensure that unexpected repair bills never strain your budget. Extending your warranty will help to:

- Avoid delays caused by purchase orders
- Relieve users, caregivers, and schools of damage liability
- Minimize time without the device if a repair is needed
- Provide you with peace of mind

Available for purchase in one to three year increments, Support360 extended service warranties allow you to extend your original warranty on your SC Tablet, Speech Case, and iPad up to 3 years from the ship date of the product. Pricing and ordering information is included on page 2.
